

Cabinet Design at IDM

Appointments Recommended

The IDM cabinet designer is often out of the office visiting job sites. While appointments are not required, it is recommended to ensure our designer is available to meet with you.

Email cabinets@interiordoorsandmore.com or call 360-738-3667 to set up an appointment.

Site Measure

Ensuring accurate measurements of your project space is ideal for a successful design and installation. Site measures are available for \$75. This fee is credited back to you when you purchase your cabinet package.

Drawings

Digital renderings of your cabinet project are provided with each estimate. Layouts and elevations are provided after the cabinet project is purchased. Layouts and elevations are available for purchase prior to purchasing your cabinet package for \$200. If you purchase your cabinet package after purchasing your layouts and elevations, you will be credited \$200.

Samples

A standard cabinet color door sample is recommended prior to ordering to ensure you are happy with your selection. (\$100) You will be credited for up to two standard door samples with a purchased cabinet package. Please allow 4-6 weeks to receive a cabinet sample.

A custom color door sample purchase is required prior to ordering your cabinet package to ensure you are happy with your selection. (\$300) You will be credited for up to one custom color door sample with a purchased cabinet package. Please allow 4-6 weeks to receive a cabinet sample.
